

TIME FOR A PERMANENT HOME!

We have been renting the building monthly, but now it is time to purchase a permanent home for Sheep Nations – for all of YOU!

If you are yearning to have a ministry home base in the Land of Israel, this can be YOUR contact point as well. We invite you to join the *United Nations for Israel* and support us, so that we can buy the Embassy!

The purchase price plus renovations for a building like this would be minimum of 6 million shekels (about \$1,800,000 dollars / € 1,500,000 euros).

ACT OF RESTITUTION

6 million Jews were murdered in Nazi-Shoa (Holocaust). This is your possibility for a very meaningful ACT OF RESTITUTION that

can change the destiny of your nation – 1 shekel corresponds to each Jew exterminated in the Shoa (Holocaust) by Christian nations.

For those who donate \$25,000 or more, your name and nation will be included in the special sign on the Embassy wall once it is purchased.
