THE UNITED NATIONS FOR ISRAEL MANIFESTO

We **DECLARE** that Israel is the Chosen People of God forever. From Israel came the Holy Scriptures (the Bible, the Word of God), the Jewish Messiah Yeshua, the Gospel and the Apostles. All this was given to bring light, salvation and order to all nations. We declare that Israel is called to be the Chief Sheep Nation and that King Messiah will rule and reign all nations from Yerushalayim, the eternal, undivided capital of Israel since the 11th Century BC when established by King David.

We **CALL** all nations to repent from discriminating and hating Israel and the Jewish People and to establish their National Embassies in the only capital of Israel, the Holy City of Yerushalayim.

We **ENTREAT** all nations to practice Biblical Politics, basing themselves on the Word of God, as given to the People of Israel, in the following two arenas: Their Internal Moral Affairs and in their Foreign Policies as they concern the Nation of Israel.

We **REMINDE** all nations that Jesus Christ is none other than the Promised Jewish Messiah from the House of David. His birth name and eternal name is YESHUA. He was born in a city of Judah called Beit-Lechem and was raised in the Israeli-Galilean city of Nazareth. Yeshua paid the ultimate price on Passover by atoning for sin with His own Blood in the eternal capital of Israel, Yerushalayim, and Yeshua will soon return to Yerushalayim in the same way He left, by descending from Heaven with a shout and a shofar blast on the Israeli Mount of Olives.

We **AFFIRM** the fact that all nations owe Israel a debt of love and honor for all that Israel has given to the nations: the Bible, the Savior, the Gospel, countless medical cures, scientific discoveries, drip irrigation, and other innovative technologies.

We **CONFIRM** the commitment of every nation member of the United Nations for Israel to work for the shalom and wellbeing of Israel, and to do Acts of Repentance and Restitution for the sins and atrocities committed against Israel and the Jewish People throughout history.
