

**UNITED NATIONS
FOR ISRAEL**
ZECHARIAH 2:11-13

OUR MISSION

- Fulfilling the Biblical mandate to bless & honor Israel.
- Transforming nations into Sheep Nations, one person at a time.
 - Standing with Israel against all odds.

United Nations for Israel has national delegates and members in many countries, including China, Malaysia, Norway, the USA, and many more. They stand with Israel and teach the original Gospel from Zion without compromise.

Our Israel tours take us to threatened areas where we have planted orchards to support the Zionist Jewish settlers and established our Sukkat Yehoshua, Joshua's tent of meeting, as a place of worship in ancient Gilgal.

We support the Jewish people during wars and terror attacks, sending supplies to traumatized families and communities, fasting, and praying.

We tape TV programs in Israel teaching the truth about His Covenant Land and the Jewish Messiah.

We re-educate the nations to uproot antisemitism and to bless Israel unconditionally.

In Matthew 25:32, Yeshua, the Messiah, said that He will judge between the nations and separate them as the sheep from the goats. Sheep Nations are those that bless Israel and practice Biblical politics. This is the third millennium since He walked the earth, and the separation has begun!
