THE EMBASSY OF THE UNITED NATIONS FOR ISRAEL

is a contact point in the Land of Israel for you who love and support Israel and the Jewish people! It has become a landmark and a beacon of light on the hills of Jerusalem, representing the future Sheep Nations that will stand with Israel against all odds!

THE UNITED NATIONS FOR ISRAEL (UNIFY)

was established in 2017 to stand with Israel through Global Re-education, prayer and praise and to help turn nations into Sheep Nations, one person at a time.
